Amendments to No Bust Range on all TRAKRs[™] contracts

Effective November 6, 2005, the no bust range on all TRAKRs contracts will be widened to 25 cents. Please note that this affects the price banding which will in the case of TRAKRs ONLY be 4x the no bust range, or \$1.00. Amendments follow below with additions underlined and deletions bracketed and struck out.

588.K. GLOBEX No Bust Ranges

Previous rules remain unchanged.

S&P 500 Financial SPCTR	3.00 index points or less
TRAKRS Futures	[40] <u>25</u> cents or less
Goldman Sachs Commodity Index	2.50 index points or less

Remaining rules remain unchanged.

For more information, please do not hesitate to call Ariel Hantin, Senior Research Analyst, Research & Product Development at 312-559-4951.
