

Subscribe to the BrokerTec Markets on CME Globex Notices

Step 1: *Create a CME Group Login Account

- Access <https://login.cmegroup.com/sso/register/> to create a CME Group Login.

For additional information on creating or managing a CME Group Login, please review the [CME Group Login User Help System](#).

*If you have already created a CME Group Login, please proceed to [Step 3: Subscribe to BrokerTec Markets on CME Globex Notices](#).

Step 2: Activate User Profile

- After profile registration, a confirmation/activation email is sent to the Email address. Activation is necessary to login to the account.

To activate the profile:

1. Open the activation email from cmegroup.com.
2. Select **Verify email and activate account**.

The activation link can be used only once. Additional activation attempts using the same link results in an error.

3. Enter your **User ID** and **Password**.

Enter password to complete activation

- Your CME Group Login account is now set up for accessing exclusive/premium content.

- Select **Skip and Take Me to Homepage**. For additional access to CME Group applications and services, select **Add Multi-Factor Authentication**.

Step 3: Subscribe to 'BrokerTec Markets on CME Globex Update' Notices

- Access the Subscription Center (<https://www.cmegroup.com/subscribe>) using your CME Group Login (User ID and password).

Note: Subscription Center is also available from **cmegroup.com**>**profile icon**>**Subscription Center**.

- Under Trading and Technology Communications, select **BrokerTec Markets on CME Globex Update**, then **Save**.

Trading and Technology Communications
 Receive regular email communications that cover critical system updates, new functionality, product launches and changes, as well as events and announcements that impact specific technology venues.
