SUBJECT: Delisting Certain Contract Months for the Urea (Prilled) FOB Yuzhny Swaps (Clearing Only) Contract

Earlier today, Monday, November 3, 2014 The Board of Trade of the City of Chicago, Inc. (CBOT or Exchange) delisted from clearing previously listed contract months beyond the April 2015 contract month for the Urea (Prilled) FOB Yuzhny Swaps (Clearing Only) contract. As such the last contract month available for submission for clearing via CME ClearPort is April 2015. As published in SER #7203, the listing cycle for Urea (Prilled) FOB Yuzhny Swaps (Clearing Only) Contract has been reduced from 12 consecutive months to 6 consecutive months. Accordingly, new contracts after April 2015 will be listed as the nearby contract expires. For example, the May 2015 contract will be listed after the expiration of the November 2014 contract.

The contract months which have been delisted had no open interest.
